<b>Swivel</b>	360 °
<b>Type</b>	black, with 3/8" threaded connector, without bearing plate
<b>Wall clearance</b>	160 mm
<b>Wall plate</b>	95 x 95 mm
<b>Weight</b>	0.52 kg

The practical wall and ceiling mount with 3/8" threaded connector has been upgraded. A new feature is a cable outlet, which now provides an internal cable guide for hidden installations. Thanks to two special threaded pins and the Allen wrench / hexagon key included in the delivery, the universal joint can be positioned and set exactly. As such the maximum load increases to 10 kg. The wall distance has been reduced to 160 mm.
