The completely revised world-renowned classic stand is presented in a new look. The instrument is particularly well cared for thanks to the elaborate new rubber structure. With the new innovative adjustable cross bar, guitars of different sizes or even other instruments such as a cello or French horn can be placed on the stand. For storage and transport the stand folds flat. In addition, we provide a practical transport lock. An additional feature includes integrated guitar pick holders. Heli 2 is available in black, red, blue and cork.
