

Ovation 7.5" Barndoor – IP

This all-metal, eight-leaf barndoor features stainless steel hardware for durable, precise control of light output on fixtures with a 7.5-inch accessory slot.

Allows designers to cleanly shape beams and eliminate unwanted light spill in theatrical, broadcast, and architectural applications, ensuring a polished final look.

- Shields excess light from stage and architectural elements
- Barn doors for use with fixtures with 7.5" (191 mm) accessory holder
