

Ovation 20-Leaf Iris

An accessory designed for any ellipsoidal-style fixture that enables precise control of the beam's size.

Perfect for theatrical, broadcast, or architectural applications where dynamic and accurate beam shaping is required.

- Features a 20-leaf iris for creating exceptionally smooth and round beams.
- Allows for precise, manual adjustment of the beam diameter for any application.
- Designed for seamless integration with CHAUVET Professional Ovation E-Series fixtures.
- Installs quickly and easily into the standard accessory slot of the fixture.
- Provides the fine beam control essential for theatrical key lighting and effects.
- Ideal for isolating performers or architectural details with a sharp, defined spot.
