

MWG - WATERPROOF

#1 IN DURABILITY

The all stealth black **MWG Waterproof Winter** is designed for the rigors of non combat military applications in cold, wet wintry conditions. Featuring triple layer technology consisting of a warm microfleece inner layer, a 100% Waterproof and Windproof middle layer and a durable form fit outer shell. High quality non-slip reinforcement patches on the palm increase durability and grip, and won't crack, shrink or harden under damp conditions.
