

AKG[®]
by HARMAN

Y45BT

HIGH-PERFORMANCE FOLDABLE BLUETOOTH[®] HEADSET.

Unleash your inner creativity.

AKG-quality sound and Bluetooth[®] connectivity in a mini-sized, on-ear headset with inventive styling, lasting comfort and true, wireless mobility.

You demand quality sound performance when it comes to your music. It defines who you are. With the release of AKG Y45BTs, the advantage is yours – an on-ear headphone offering enhanced sound quality in a smaller package while enhancing your needs for multi-tasking with the wireless convenience of Bluetooth[®] connectivity. Great sound, inventive design, extreme mobility in an headphone designed to travel. While dual, 40mm drivers provide crisp, AKG-quality sound, this smartphone-friendly headphone layers on the convenience with ear-cup-mounted controls and all the joys of living wirelessly – without the need for power. Add in their gift for comfort over the long haul – and you've got a true travel companion to take you to the next level. Choose from 2 cool colors and these smartly-branded AKG headset with distinctive looks and watch how heads will turn as you make a powerful statement.

FEATURES AT A GLANCE

- ▶ **Inspirational AKG-quality sound**
AKG-quality sound featuring 40mm drivers and noise blocking ear-pad design.
- ▶ **Bluetooth®-enabled connectivity for preferred devices plus the added freedom of living wirelessly**
Enjoy true wireless performance with a rechargeable power source providing total independence for up to 8 hours – or plug in for external power and recharging. The Y45BT also feature NFC for easy connectivity.
- ▶ **Lightweight, on-ear design and soft ear-pads for long-lasting comfort**
AKG Y45BTs smaller, lightweight design, premium headband and pliable ear-pads define a comfortable fit.
- ▶ **Ear-cup-mounted controls for volume/remote/mic to easily manage music and calls**
Convenience personified with cable-free control of your music and calls.
- ▶ **Detachable bypass cable for listening direct; USB for recharging when power required**
Whether you're plugging in for recharging or for listening direct, the choice is always yours.
- ▶ **3D-Axis, fold-flat mechanism and soft case for easy storage and safe transport**
Always at-hand when you need them, their fold-flat design keep them neatly housed in a soft travel case – ready as required.
- ▶ **2 cool color options and smart design featuring AKG-branded accents**
Quality sound now looks the part as inventive styling combines with a distinctive, branded look in a choice of 2 colors for a striking finish – speaking highly of your good taste.
