<b>Support depth</b>	345 mm
<b>Support width</b>	from 180 to 790 mm
<b>Type</b>	black
<b>Weight</b>	9.5 kg

Its compact steel tubing construction and large round floor protectors make this attractive keyboard stand significantly more stable. Two sided spring-loaded locking screws make precision height adjustment easy. The support arms can be adjusted to suit the size of the keyboard. When folded, the table is impressively flat. The design of the table complements keyboard bench 14085 or 14086. An optional extra is the 18813 attachment for a second keyboard or laptop. Use the adapter 18814 to mount the microphone boom arm 18956, the music holder 18958, the iPad holder 18816 or the universal holder 18817 easily and quickly.
